📅 Jul. 2024 - Ongoing

💲 Less than $10,000

> " *"Beehive Software Inc.'s communication is outstanding."*

PROJECT SUMMARY

Beehive Software Inc. is working with a medical technology company to develop a web app that uses AI technology to automate phone calls. The project has included an initial discovery session.

PROJECT FEEDBACK

Thanks to Beehive Software Inc.'s work, the client has saved time. The team delivers on time and on budget and communicates well via phone calls with the client. Overall, their communication skills are outstanding, and their work has met the client's expectations.

Beehive Software Inc.

The Client

Introduce your business and what you do there.

I'm the founder of a medical technology company.

The Challenge

What challenge were you trying to address with Beehive Software Inc.?

We required Beehive Software Inc.'s development services due to product security reasons.

Founder, Medical Technology Company

Medical

Mountain View, California

CLIENT RATING

5.0
Overall Score

Quality:	5.0

Schedule:	5.0

Cost:	5.0

Would Refer:	5.0

The Approach

What was the scope of their involvement?

Beehive Software Inc. has helped us develop a web app. Initially, they had a conversation with me to help me with whatever I needed. We also provided them with documentation to jumpstart the process. The app uses AI technology to make phone calls.

What is the team composition?

We've worked with two teammates from Beehive Software Inc.

How did you come to work with Beehive Software Inc.?

We were referred to them by a friend.

How much have you invested with them?

We've spent $500 so far.

What is the status of this engagement?

We started working together around July 2024, and our engagement is ongoing.

The Outcome

What evidence can you share that demonstrates the impact of the engagement?

Beehive Software Inc.'s work has helped us save time and has met our expectations.

How did Beehive Software Inc. perform from a project management standpoint?

Beehive Software Inc. delivers on time and on budget, and they communicate well with us. We communicate via phone calls.

What did you find most impressive about them?

Beehive Software Inc.'s communication is outstanding.

Are there any areas they could improve?

There's nothing they could improve on.

Do you have any advice for future clients of theirs?

I don't have any particular advice.

Beehive Software Inc.
